The School treats every application for admission in a fair and equal way in accordance with this policy and the School's Admissions Policy. Where there is competition for places, each application will be considered on its merits in accordance with the School's selection criteria based on an applicant's ability and aptitude. The School accepts applications from, and admits, all prospective pupils irrespective of their gender, disability, gender reassignment, race, religion or belief or special educational needs ('SEN').

Parents must inform the School when submitting the Registration Form of any special circumstances relating to their child which may affect their child's performance in the admissions process and/or ability to fully participate in the education provided by the School. The School will not offer a place to a child with disabilities if, after reasonable adjustments have been considered, the School cannot adequately cater for or meet their needs.

Financial Circumstances

Aldenham Prep School is a fee paying school and as such, parents, guardians or other persons responsible for the payment of fees for a pupil are responsible for ensuring the punctual payment of all fees and extras as the Headmistress, Bursar and Governors may determine. All pupils are required to attend School religious services. It is fully understood and respected that pupils may be required to be absent on occasion during the course of the school year in order to observe religious holidays.

The Governing body, through the Senior Leadership Team, actively promotes the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Dietary Requirements

The School employs an outside catering company (Holroyd Howe) who provide a nutritious and balanced diet with plenty of choice at meal times. Provision is made at all meals for pupils who have special dietary requirements based on preference, religion or medical advice. School Council discuss the school's food provision and influence future menu choice.

Sexual Orientation

The School will ensure equality of opportunity regardless of a student's sexual orientation. The School seeks to be understanding of students irrespective of their sexual orientation and promotes social awareness via the Junior Diversity Group for Year 6 and in PSHE lessons.

Requests for Variation in the School Uniform

All pupils are required to wear a uniform. The Headmistress will consider requests from parents and pupils for variations in the uniform for reasons related to disability, gender reassignment and/or on religious grounds provided they are consistent with the School's policy on health and safety and it is reasonable in all the circumstances including in light of the School's obligations under the Equality Act 2010.

Reasonable Adjustments for Pupils with Disability

The School has an ongoing duty to make reasonable adjustments for pupils with a disability to ensure they do not suffer a substantial disadvantage in comparison with other pupils.

Where the School is required to consider its reasonable adjustments duty, it will consult with parents about what reasonable adjustments, if any, the School is able to make to avoid their child being put at a substantial disadvantage. The School will carefully consider any proposals for auxiliary aids and services in light of a pupil's disability and the resources available to the School. Further information on the School's reasonable adjustments duty can be found in the School's Special Educational Needs and Disability Policy.

The School has an Accessibility Plan in place which can be found on the School website and a hard copy can be made available upon request. This sets out the School's plan to increase the extent to which disabled pupils can participate in the School's curriculum; improve the physical environment of the School for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School; and improve the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled, subject to reasonable adjustment.

Special Educational Need

The School will strive to make appropriate provision for students with SEN requirements and individual support lessons are available. In addition, SEN assessment is available at the School and access arrangements can be made for pupils with special requirements for examinations, e.g., ICT facilities, amanuensis, isolation, etc.

EYFS

The EYFS framework is designed to be fully inclusive of all children's needs, recognising the need to respond to different ethnicity, culture, religion or belief, home language, family background, SEN, disability, gender or ability. There is significant flexibility to provide in the three prime and four specific areas of Learning and Development in a way that reflects the needs and circumstances of each child. In the majority of cases, therefore, it will be possible to deliver the EYFS in a way that is compatible with providers and parents' philosophies and beliefs.

Equality Policy for EYFS

Aims and Objectives

- a) Equality of opportunity throughout the EYFS is about providing equality and excellence for all in order to promote the highest standards of achievement. Equality of opportunity applies to all members of the school community – pupils, staff and parents.
- b) Our policy is based on the following core values as expressed in the School's mission statement.
 - EYFS children are encouraged to become their best selves.
 - We provide for the talents, strengths, interests and needs of a wide variety of children
 - We provide a broad and inspiring education across all subjects, in a cherishing and supportive environment.
- c) These statements are designed to ensure that the School meets the needs of all, taking account of gender, ethnicity, culture, religion, language, ability, and disability. It is important that we meet the needs of every pupil to ensure inclusion for all.

We aim to:

- Promote equality of opportunity
- Promote racial equality and good race relations
- Oppose all forms of prejudice and discrimination.

- d) To achieve these aims, we will make all members of the school community aware of our philosophy.

In our school:

- We believe that all our children matter.
- We give our children every opportunity to achieve their best and value each child's accomplishments.

- e) We do this by taking account of our children's range of life experiences when planning for their learning.
- f) We set each child realistic and challenging expectations to enable most children to achieve the Early Learning Goals by the end of the Foundation Stage. Some children will progress beyond this point. We do this in order to meet the needs of boys and girls, children with special educational needs, children who are more able, children with disabilities, children from all social and cultural backgrounds, children of different ethnic groups and those from diverse linguistic backgrounds.

Resources

The provision of good quality resources and materials is a high priority. Where appropriate, resources and displays reflect the experiences and backgrounds of the range of people living in the UK. We endeavour to celebrate diversity and challenge stereotypes.

Working with Parents and Other Agencies

We feel that we work closely with all parents and with outside agencies where appropriate. We provide opportunities for all parents and other agencies to feel welcomed in School, work in partnership with teachers and be well informed by clear communication.

The Headmistress of the Prep School regularly monitors and reviews the effectiveness of this policy and it is subject to regular review by the Governors.

Breach of this Policy

Pupils who are in breach of this policy may be sanctioned in accordance with the School's Behaviour and Discipline Policy.

The School is opposed to all forms of racism and xenophobia, including those forms that are directed towards religious groups and communities. In reported cases of racist behaviour, the School adheres to the guidance contained in the Dealing with Racist Incidents Policy.

Aldenham Prep School will seek to ensure equality of opportunity for all pupils in the areas outlined above at every possible stage. The School recognises the right of pupils or their families to express concern where they feel that this may not be the case. Use of the School's complaints procedure or of the normal mechanisms of raising concern by way of teaching staff and other members of staff is as applicable to concerns covered by this document as to other questions of welfare and academic progress.

The School seeks to ensure provision of equality of opportunity is consistent with the safety of pupils and as appropriate to their age. The School will explain fully to pupils or their families any occasions where apparent differences in the way pupils have been treated may be appropriate because of such issues as age or medical grounds. The School rules and procedures are applied to all pupils as is its policy on sanctions and rewards. The School regards it as a positive advantage that the mixture of religions, traditions, cultural and national backgrounds represented in its community is a rich one, to be enjoyed and appreciated by all members of the School. The positive and active assurance of equality of opportunity is an essential part of the School's mission.
